WHY NOT BUILD UP AND ENJOY THE OUTLOOK!!!

Elevated block with possible views over Lake Reeve! If you can not quite get the view just enjoy the tree top views and ocean breezes!! Larger in size with two options of either building towards the front of the block or build at the rear amongst the trees!! The block is tidy with established trees scattered throughout and there is also a cut in the bank for when you build!

So why not take a trip to the coast today and take a stroll on this beach beauty!!
