### BACKING ONTO RESERVE AT THE REAR!!

You will love the bush setting being offered here with this beach block! Backing onto the reserve at the rear for extra room, this block is level and cleared with a few established trees and not far from the causeway leading across to the Surf Beach for the keen fisherman!

The block also comes with a meter box that just needs to be connected to the mains and would be perfect for the family camping holiday!

So if you are looking for a block with the extra space of reserve at rear you need to inspect this beach beauty!!
