RENOVATORS NEED TO INSPECT THIS BEACH BEAUTY!!

Looking for a property to add your own stamp to? Then you need to inspect this three-bedroom beach home! The location is just around the corner from the causeway leading to the Surf Beach and still within a short casual stroll of Lake Victoria! With some shops virtually across the road!

An easy make over inside with a fresh lick of paint, new floor coverings and window furnishings will certainly bring this property back to life! This home looks bigger inside than you would think, so an inspection is a real must! Open plan living with gas heating, master bedroom with large built in robe, separate toilet, laundry and bathroom, that has both a shower and bath!

Yes, the yard does need some love but if you are handy with a chainsaw then you will enjoy bringing it back into shape! The block is spacious and has some fencing, there is even a bore in the back yard that could easily be brought back up and running in no time!

If this property and price is ticking the boxes, then you will need to come and inspect before you miss out!!
