

27 Wattle Grove, Loch Sport

HOW ABOUT BUYING THIS VIEW AT THIS AFFORDABLE PRICE!!!

What a amazing view being offered here!! Location is perfect as you are only two streets back from the water with easy access from the block to the water edge! The vendor has been hard at work clearing this block and making it ready for your next holiday home site!!

The Marina is still within walking distance as well! You could build either a two storey or single storey home here because both levels of the home will have the view! Or buy this one as an investment as there are not many blocks left along this side of the street with the view!!
